

# Sign Up Now for Free Preschool

More 4 year olds are eligible for  
free preschool than ever before!

## Health & Wellness

We spend time learning indoors and outdoors everyday. Children will be served breakfast and lunch, as well as healthy snacks.

Free health, vision and hearing tests are offered.

## Learning

Your child will learn through play, creative expression and guided activities.

They will build strong relationships as the foundation for early learning. All children who complete our programs will be ready to start kindergarten.

## Making a Difference in Children's Lives

We build on your child's strengths and individualize experiences to meet their needs.

We can connect parents with additional resources if needed.
