PARENT & FAMILY SURVEY RESULTS

GREAT START
COLLABORATIVE
Livingston County

Over 160 parents completed our Annual Parent & Family Survey during the months of March and April 2022.

Parents were asked - "Recognizing the experience of the past year, what are your needs and/or concerns for your child ages birth to 8?"

Here are the top 5 results:

Finding low cost or free family activities - 55.4%

Developing or maintaining social & community connections for my child - 44.6%

Developing or maintaining social & community connections for myself - 31.1%

Finding affordable child care or preschool - 30.4%

Social emotional expectations for my child - 25.7%

Great Start Livingston

will use these results to guide the work of the Collaborative and Parent Coalition. Some things already being done include: upcoming summer and fall events such as play groups, parent cafés, and parent workshops; sharing of information and resources through [Great Start Livingston Facebook](#) and [Great Start Livingston website](#); sharing resources such as [Great Start to Quality](#) which parents can use for [finding child care and/or preschool](#).
