DISCUSSION ON MATERNAL HEALTH IN MICHIGAN

We want to hear from Mothers and Birthing Persons who have given birth in the last 3 years to discuss topics related to health and your experience with the healthcare system in Michigan, specifically regarding the postpartum experience.

*Let your
voice be
heard*

A \$35 check will be mailed to participants for their time

Why Participate?

- 1** Influence Change: Your insights will impact the development of the Maternal and Child Health Needs Assessment.
- 2** Connect & Collaborate: Network with other mothers and birthing persons who are invested in the health of children and families across Michigan.
- 3** Be Heard: Your opinions will shape decisions that matter.
