DESCRIPTION:

December 8: The Birds and the Bees: Talking with Kids about Sex

Talking with kids about sex can be challenging and awkward. In this session we will explore the importance of having honest discussions about bodies, sex, and sexuality and how to have age appropriate conversations with your child that build a relationship of open communication and trust.

Extension Extras for Parents is a free online series of parenting workshops that provides guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.
