HOWELL recreation

November 2, 2026

Hello,

On behalf of Howell Area Parks & Recreation Authority and Marion Township, I would like to personally invite you to join us as we celebrate the ribbon cutting of our new all-accessible playground in Marion Township. This project represents more than just a new playground. It reflects our continued commitment to creating spaces where everyone, regardless of age or ability, has the opportunity to play, connect, and feel a sense of belonging.

Ribbon Cutting Ceremony
Date: November 12, 2026
Time: 4:30pm
Location: Fred Brown Park, 1884 Triangle Lake Rd, Howell, MI 48843

We are incredibly excited to see this project come to life. The funding for this playground structure was made possible through matching grant funds from the Howell Area Parks and Recreation Authority, Playcore and Sinclair Recreation. The structure came to life with Marion Townships contribution of the land and their vision for community.

We hope you'll join us as we celebrate this exciting milestone, recognize those who helped make it possible, and officially welcome our community to this wonderful new space.

Thank you for your continued support of Howell Recreation and our mission to create opportunities for everyone.

We look forward to celebrating with you!

Tim Church
