Pregnant and Registering for WIC?

WE WANT TO HELP!

The University of Michigan is looking for people to join a research study to learn how to help expectant mothers on WIC maintain a healthy diet.

You may be eligible if you are:

- **14-26 years old**
- **≤ 20 weeks gestation**
- **a first-time mom**
- **currently receiving WIC**
- **can send/receive texts**
- **can communicate in English**
